Citation of Honor

presented to:

The Cross-Cultural Internship Program (CCIP)

in grateful recognition of

the program's tremendous achievements in promoting international cross-cultural exchange. Through a unique partnership involving fUSIA Communications, the Flushing YMCA, New York-based host organizations, and universities in Asia, 75 students have experienced valuable service learning this year. I applaud CCIP Program Advisor Marc A. Haken and Program Director Elizabeth Kay as they hold a Recognition Ceremony for the students at Citifield, a great symbol of the promise of Queens.
